

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Tuesday Announcements – November 18

Day 5

Today's community land acknowledgment is from M. Dorge's grade 10 Advocacy class (readers: Gabby, Elle et Izzy) Nous reconnaissons avec respect que Garden City Collegiate, dans la Division scolaire de Seven Oaks, se trouve sur le territoire du Traité no 1, ainsi que sur la patrie des Anishinaabe, Cri, Oji-Cri et la patrie de la Nation Métisse de la Rivière Rouge. Nous reconnaissons que la colonisation a eu des impacts durables et que la réconciliation exige un engagement actif envers la vérité, la justice et l'équité. En tant qu'établissement d'apprentissage, nous nous engageons à créer un environnement inclusif, antiraciste et respectueux des savoirs autochtones, en intégrant ces perspectives dans nos pratiques pédagogiques, nos relations et nos décisions.
