Personal Land Acknowledgement by Trustee Cameron

"As you know my name is Diane Cameron, with my dad coming as a wee lad of four from Scotland to Kildonan in 1920. I have Scottish Settler roots on my Mother's side with family names listed on my mother's side from the most recent back to the 1700s. These names being Downs, White, Ballenden, Swain and Gunn.

Donald Gunn came from Caithness, Scotland as a teenager hiring on with the HBC, in 1813 and remaining in HBC employ for ten years. He married Margaret Swain, daughter of James Swain, chief factor York District and his country wife. Donald Gunn and his family came down to the St. Andrews area and settled near the locks on the Red River, in an area they named Little Britain. He was a founding member and elder of Little Britain Church and for 18 years was in charge of the Parish School. He was made the custodian of the library he had started in his home. He was a naturalist and an active contributor of information to the Smithsonian Institute for over 20 years. He was active as a magistrate,

Justice of the Peace, Postmaster and Inspector of Fisheries. He represented St. Andrews in the provisional government in 1869 – 70 and was a member of the Upper House of Manitoba in 1871 -75. He is referred to as The Honorable Donald Gunn.

Margaret and Donald had 12 mixed blood children as they were then known, with the last being called William as he was born after the first-born William had passed. The younger William became the first graduate of the University of Manitoba as well as now being recognized as the first Metis graduate.

We, the Board of Seven Oaks School Division, acknowledge that we are gathered upon the ancestral lands, of Treaty One Territory.

These lands were originally peopled by the Anishinaabeg, Inninew, Anish-Inninew, Dakota, Dene Nations and are the homeland of the Red River Metis.

We acknowledge with sadness many of the relationships we have in the present and have had in the past with our founding nations were not respectful and promise as we go forward to truly try to reconcile the past with a better future for all. As we go forward, we will also do so with care and attention to the Truth and Reconciliation Calls to Action; the Report on Missing and Murdered Indigenous Women and Girls; and our own Seven Oaks commitment to improving outcomes for our Indigenous learners.”
