“Working, learning and growing together”

Message from the Office

National Anthem

We are very proud of our Grade 1-3 English, Grade 3-6 English and Grade 1-5 Ukrainian Choir groups for recording their own versions of Treaty Acknowledgements and O Canada! We now use their recordings to start off our school day and the morning announcements. Thank you to Pani Todaschuk for working with the choir groups to make these recordings. It's a great way to show our school pride and there is no better way to start the day than with the voices of our own students!

Safety Reminders

Safety is our top concern when it comes to drop-off and pick-up times. We understand that Morrison Street becomes congested at these times, especially with the construction limiting our parking lot space. *Here are some things you can do to help:*

- **Drop and Go** – When dropping off students, avoid parking and getting out of your vehicle. Drop off your child in front of the school or at the crosswalk so traffic can continue to flow safely.
- **Patrols** – Our patrols do their best and we appreciate their hard work. Whether you are driving or walking, please watch for and follow their signals to help them cross everyone safely.
- **Respect** – When picking up, parents are asked not to park in the parking lot or neighbor's driveways, and especially not to leave your vehicle unattended in these areas. The parking lot is not a safe place for students to walk to vehicles. If you need to park and come into the school for pick-up, please park in a parking zone on Morrison or a nearby street.
- **Bus Students** – If you are ever picking up your child who normally takes the bus, please remember to check in with the patrol supervisors AND the office so that we know your child is leaving with you.
- **Bus Loop** – There are fresh air intake vents on the front of the school by the bus loop. If you stop for ANY amount of time to pick up or drop off in our bus loop, please ensure that you turn off your engine.

Thank you for helping to keep everyone safe!
