Dear Families,

## Some of October's events and highlights included:

- Bus safety presentations for students in K – 5
- An outing for our patrols to a corn maze
- Gr 5 classes viewing a virtual presentation of the play “The Adventures of Alvin Sputnik: Deep Sea Explorer” by Manitoba Theatre for Young People

Please note that although we are still restricted from having whole school assemblies at this time, we will still recognize Remembrance Day on Wednesday, November 10th with a virtual assembly. Both our Music Teacher, Mrs. Rumak, and our Phys Ed Teacher, Mr. Pacag, have worked with several of our classroom teachers to compose a video of student contributions (poems, artwork, and performances) that will then be shared in each classroom and will be posted to our school website. A link to our Remembrance Day video will be emailed to all of our families.

***Students will receive a poppy to wear on Remembrance Day. If you would like to send in a small donation for the poppy, please send it with your child to their classroom teacher before November 10th.***

***Remembrance Day is on Thursday, November 11th, and therefore it is not a school day.***

**Teacher/Parent/Student conferences will take place on Thursday, November 18th in the evening and during the day of Friday, November 19th.** Families should go online and book their conference appointments using Parent Connect. ***Parents and caregivers will be able to view report cards online and book conference times starting on Tuesday, November 16th at 10:00 a.m.*** Please contact our school office if you have any difficulties using Parent Connect.

We look forward to seeing all of our families at the end of the month!

# Victory Viper Physical Education

A big thank you goes out to all the families who were able to fundraise for the Terry Fox Foundation! Your time and generosity is greatly appreciated and is a step towards Terry's ultimate hope!

In celebration of Terry Fox's marathon of hope, Victory classrooms participated in a Class Lap Challenge during Phys. Ed. Class. Each class ran for 26 minutes (in honour of Terry Fox's 26 mile run per day). At the end of the run, we tallied the class score and converted the number of laps into distance. Here are the totals for each grade 1 – 5 class:

Room	Laps = Km	Room	Laps = Km
7	134 Laps = 8.7km	5	302 Laps = 19.6km
12	159 Laps = 10.3km	19	421 Laps = 27.3km
9	329 Laps = 21.3km	17	424 Laps = 27.5km
8	182 Laps = 11.8km	18	419 Laps = 27.2km
1	292 Laps = 18.9km	6	431 Laps = 28km
Total Distance	<b>200.6km</b>		

Amazing job by all classes and students!
