# ROOM 9

We have been very busy this month. We had a guest teacher from Jump Math teaching us geometry. We had some fun fraction measurement activities, and a visit from a Manitoba Legislative Building representative to teach us about the government and we had a mock election. We are also really enjoying buddy reading with the younger students in our school.

## MUSIC

We have been busy in the music room! The Kindergarten students continue to explore the instruments and have enjoyed playing Hoop Conductor. They can only play when the conductor is standing in their hoop. The Grade 1 students are composing their own song based on the book "You Hold Me Up" by Monique Gray Smith and Daneille Daniel. Soon we will be able to add instruments as well! The Grade 2-3 classes are exploring new rhythms and the Grade 4-5 classes have brought out the recorder!

# PHYS ED NEWS

MOVING & PLAYING WITH CONFIDENCE & COMPETENCE

*"We're All Stars"*

Over the last month, our phys. ed. classes have participated in a variety of striking games and activities looking to build those foundational movement manipulation skills. Games included net / wall with balloons and an intro to cricket. 😊

## Stars League

Look for Stars League to Start soon as our gym reno's are hopefully finally coming to a close.

## Sports Teams
