

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Monday Announcements – November 24

Day 3

Today's community Land Acknowledgement is from Mrs. Iduozee's grade 10s advocacy (reader: Elroe): We acknowledge that we live, learn, and work on Treaty 1 Territory, the traditional lands of the Cree, Ojibwe, Oji-Cree, Dakota, and Dene Peoples, and the homeland of the Métis Nation. We recognize that our water is sourced from Shoal Lake 40 First Nation, and we are grateful for this gift that sustains us. We pay respect to the Indigenous Peoples who have long cared for this land and acknowledge the lasting effects of colonization. We dedicate ourselves to the ongoing work of reconciliation by treating this land with care, gratitude, and respect, and by remembering that reconciliation is not a single act but a continuous practice of listening, learning, and standing together in truth.
