

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Tuesday Announcements – November 4

Day 2

Today's community land acknowledgement is from the semester 1 Michif class! Our readers today are: Aurora & Luni. Dishinakashoon Aurora. Dishinakashoon Luni. We are here on behalf of the Michif language class at Garden City. Our ancestors are Ojibway, German, Cree, Anishnaabeg, Ininiwak, Chinese, Ukrainian, Mexican, Métis, British, Anishin-ininiw and Salvadorian. We are made up of Indigenous and Settler heritage from all over the world. Our school is located on Treaty 1 territory, and is the ancestral homelands of our peoples including the Red River Métis. To us, the land is a place for sport, a place to get a breath of fresh air, a place to rest, it is the Tallgrass Prairie and it is our provider. Our commitment as the caretakers of the land and as Indigenous youth is to decolonize as much as we can. Ekosi.
