

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Thursday Announcements – November 6

Day 4

Today's community land acknowledgement is from Mme Uehara's grade 9 Advocacy class (readers: Zoe and Kirsten): We acknowledge that we are on Treaty 1 territory, home of the Anishinaabe, Red River Metis, Dakota Oyate, Anishinewuk, Denesuline and Nehethowuk Nations, the people that had to go through the hard times in the past that lead them through a path that they should have not been lead on. We recognize the presence of Indigenous peoples on this land and their deep connections to this land. We honour the treaties made on this territory and commit to moving forward in the spirit of reconciliation, respect and partnership. We respect the Indigenous teachings, lands, traditions and lessons. We acknowledge their culture and sacrifice for our lands and water sources.
