NEWSLETTER

November 2, 2020

Thanks to our PAC, we ended October on a fun note with our annual Pumpkin Decorating Challenge! Every class got their own pumpkin and chose the theme of either spooky, silly or "pandemic pumpkin". This year the pumpkins were donated by the Real Canadian Superstore on McPhillips – we extend our sincere thanks for their support of this fun and "spirit-raising" school activity!

Teachers have been working hard on **Term 1 report cards**, which will be available on **Parent Connect** on **Tuesday, November 17th, 2020** by 3:30 p.m. We encourage you to read your child's report card to see their progress and read the Teacher's comments before conferences.

Parent Conferences will be virtual unless otherwise requested. Any in-person conferences must follow COVID-19 protocols including distancing and wearing masks. Parent conferences will take place on the evening of **Thursday, November 19th** and during the day on **Friday, November 20th**. We will send an email notice from the office when conference registration opens on Parent Connect. Teachers will be in contact with you as to how to connect virtually at your conference time. This year our conferences may look different, but we are eager to connect and talk about your child's learning at school. Thank you for your time in doing this differently with us this year.

On Monday, Oct. 26th, schools moved into restriction level orange in the #RestartMB Pandemic Response System. Since then, we have continued to review classroom spaces, removed/rearranged furniture to

increase distancing when possible, and added staff to fully utilize extra spaces where students can spread out. A letter with more information was sent by email on Oct. 26th.

Also coming up in November, we'll be observing Remembrance Day by observing a moment of silence (in our cohorts) and having students create a display of classroom wreathes. We will also be conducting the annual OurSCHOOL survey with students from Grades 4-6 to learn more about what we are doing well and what we can improve from the perspective of our students.

We thank all of our parents, guardians and families for your cooperation in staying safe and healthy.

Andrew Volk, Principal

Oksana Kosteckyj, Vice-Principal
