

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Congrats to grade 9 student Veyron Uy who has placed as one of 10 finalists in the ISME, the International Society for Music Education's global student creator challenge. Even though the competition is a "Student" challenge, the age limit for submissions is 25 years old so it's likely that Veyron is competing with people across the world who are currently doing their Master's degree in music or composition. He is the only Canadian finalist! Way to go Veyron!! Check out the link posted on Instagram and vote for his song.
