

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Tuesday Announcements – October 7

Day 1

Congratulations to Garden City's Athletes of the Month for September! Each month, coaches select athletes who demonstrate outstanding commitment, sportsmanship, work ethic and enthusiasm for their sport. These students set a positive example for their teammates and show strong leadership and teamwork skills. This month, we're recognizing:

- Mackenzie Rioux – Cross Country
- Kiley Schettler – Cross Country
- Emily Steip – Golf
- Ben Mussell – Golf
- Riley Capistrano-Palapac – Football
- Matthew Kemerle – Football

Way to go, Gophers! All Athletes of the Month please see Ms. Medwick in the centre gym to pick up your t-shirts.

Anyone wishing to join us in Ms. Sharma's class today at lunch hour in Room W105 to continue preparations for Diwali are welcome, bring your lunch and a friend!

Attention Grade 12s- This Friday in the Commons at lunch, the Canadian Blood Services will be coming to run a stem cell swabbing event. A simple cheek swab, a bit of paperwork and willingness to help others is all that is required. Not everyone that is on the registry will be called to donate – but there are those in our community waiting for a donor match for whom it can make the difference between life or death. Eligibility criteria and more information is on the Volunteer Google Classroom.
