

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Wednesday Announcements – October 8

Day 2

Hey Stitch Club members! Reminder that today at lunch we have a special workshop with **Claire Johnston**, a Red River Métis visual artist from Winnipeg. Claire's Two-Spirit art shows how beading can tell family stories, celebrate identity, and connect to human rights. **All Stitch Club members should come to Room E104 from 11:45 to 12:30** to get your kits and learn the **two-needle beading technique**! See you later!

Attention Grade 12s – Did you know that you could help save a life? Stem cells can be transplanted from one person to another and help to treat over 80 different illnesses. This Friday in the Commons at lunch, the Canadian Blood Services will be coming to run a stem cell swabbing event. A simple cheek swab, a bit of paperwork and willingness to help others is all that is required. Eligibility criteria and more information is on the Volunteer Google Classroom.

Diwali preparations will continue in **Ms. Sharma's room today at lunch hour in Room W105**. All are welcome!
