

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty One land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Thursday Announcements – October 16

Day 1

Today's community land acknowledgement is from Mrs. Fostey's Advo (Nathan Lieppi reading): We recognize that we are on the ancestral lands of the Anishinaabeg, Ininiwak, Anishininiwak, Dakota Oyate, Dene, and the birthplace and homelands of the Red River Metis Nation. We will respect and care for this land by keeping the streets clean, only using what we need, and encouraging others to do the same. We express our deep gratitude for the wonderful green spaces we can enjoy, the clean air we breathe, and clear water sourced from Shoal Lake 40 First Nation. We are committed to continuing our learning about the history of Treaty 1 Territory, and building community by participating in local events and celebrations.
