## October 2021

Dear Families,

What beautiful weather we have experienced so far this school year!

We expect in the weeks to come to have increasingly wet and cool weather. We will continue to go outside to enjoy the outdoors in different ways, even as the temperatures begin to drop.

Please remember to dress your children to go outside every day. The students stay indoors if it is raining heavily.

Our hard-working patrols began their duties in September. ***Please help our patrols keep our students safe by parking nearby and then walking into the school to pick up children, and not driving or walking in the school parking lot.***

On Friday, October 8<sup>th</sup> classes are cancelled and school is closed to students. The staff of Victory School and all employees of Seven Oaks School Division will be listening to speaker Dr. Pamela Palmater, who will be discussing Reconciliation with Indigenous Peoples in K-12 Education.

Finally, remember that parents are encouraged to contact classroom teachers if you have questions or concerns about your children. There is no need to wait until the official reporting period next month.

If your child will not be in class, please be sure to call our office. Leave a message with the student's name and Room Number/ Teacher and the reason for the absence. We will pass the message on to the teacher for you. Thank you!

In Room 12, students are excited to be back in school. They are settling into the new school year learning new routines, practicing safe social skills and enjoying meeting new friends. Students are learning about Patterns and Numbers, they had fun drawing self-portraits, and they also learned about the importance of Orange Shirt Day "Every Child Matters" ❤️. The grade 1&2's had a great start to the new school year!
