

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Monday Announcements – October 27

Day 2

Today, our community land acknowledgement is from Ms De Luca's grade 9 advocacy class (Jaanvi and Brynnley reading): We recognize the treaty one territory we live with, along with the first nations Anishinaabe, Cree, Oji-Cree, Dakota and that this is the home land of the Metis people. We recognize that the bond between this land and these people has been here so much longer than we've been here and we tirelessly work towards that re-connection every day.
