WELCOMING YOUR VOICES AND VISION FOR INDIGENOUS EDUCATION

December 10 at 4:00 PM
Maples Commons
1330 Jefferson Avenue

We are gathering students, families, educators, and community members to listen, learn, and understand what is working well in our schools — and where we need to grow. This gathering is an opportunity to share experiences, concerns, hopes, and visions for how Indigenous education can better support our youth in meaningful, culturally-grounded, and community-rooted ways.
