December 22, 2021

Dear Parent / Guardian:

Our Minister of Education, the Honourable Cliff Cullen, informed us that the holiday break for students will be extended by two days. Classes will now resume Monday, January 10th instead of Thursday, January 6th as previously scheduled.

This extended holiday will allow public health and education officials to assess current conditions and plan accordingly.

School staff will be reporting to work as scheduled on January 6th and school offices will be open should you have any inquiries.

Sincerely,

Brian P. O'Leary
Superintendent
