Discussion:

Véronique and Kristin welcomed the families to our second PCP meeting for the 2022-2023 school year.

Admin shared some of the activities that have taken place at the school in the past month: We had a Remembrance Day Assembly that went very well. Many classes presented at the Assembly: violins, singing and a poem performed by a grade 1 class. Classes are collaborating often for reading buddies and other projects.

Parents discussed the success of our first Pizza Lunch. They have made a list of improvements for future lunches. A considerable profit has been added to the account. Next Hot lunch is scheduled for January, as December can be a very busy month.

They would like to use Pizza Lunch funds towards contributing to a community BBQ in June. They would also like to contribute to a Grade 5 Legacy Gift. One option discussed was to install a more permanent shade structure for outdoor learning.

Next meeting will be communicated to all families and will be held February 8th at 5:30 PM.

End of meeting: 6:55 PM.
