

Frozen Perogies Fundraiser

Order forms will be available on our website and at the office.

Frozen Perogies:

Great tasting and fast cooking Naleway Catering frozen perogies. These are the same perogies that are sold at Safeway and Costco. Only \$15 a bag that comes with (approx. 3 dozen) of potato and white cheddar perogies. Students make a profit of \$7 per bag. As this is a perishable item, students will need to make the necessary arrangements to have their orders picked up on that afternoon. We do not have the refrigeration space to store orders over night.

→ **PICK UP:** Wednesday, October 7th at 2:30pm
