## Around the Community

Summer Wrap Up 25

Another fantastic summer is behind us! Students enjoyed regular field trips to Birds Hill, Assiniboine Zoo, Stonewall Quarry, and Transcona Waterpark. Along with our regular gymnasium programs, we added outdoor pedal cars, gardening, and BMX biking to the fun. We hope to see you again in Summer 2026!

Acknowledging Hayden Mota – Youth Activity Worker Extraordinaire

Hayden Mota pictured with here beside two Early Years pedal Cars.

The Kildonan Youth Activity Centre (KYAC) and Maples Youth Activity Centre (MYAC) would like to extend our sincere appreciation to Hayden Mota, one of our many outstanding Youth Activity Workers. Since joining us in Spring 2022, Hayden has been a key contributor to the success of numerous community programs. With a natural talent for behavior management, especially in early years programs, Hayden has consistently demonstrated patience, leadership, and compassion in every role he takes on. Hayden has played an integral part in delivering impactful initiatives, including Rotary Leadership and various evening programs. He has also stepped up as a lead in several sports programs, such as Racquet Nite, Soccer/Futsal, Basketball, and most recently, the U10 Manitoba Ultimate Disc Society Juniors Program. In addition to his program facilitation, Hayden has proven to be a valuable asset behind the scenes. Despite balancing the demands of his third year at the University of Winnipeg, he continues to contribute wherever he can – most notably through his work on the Pedal Car program, where he has dedicated countless hours fine-tuning our vehicles and helping design their front bumpers. We are incredibly grateful for Hayden's hard work, leadership, and unwavering commitment to our Maples and Kildonan communities. Thank you, Hayden, for everything you do. Your efforts make a lasting impact.

## *Seven Oaks Better Access to Groceries (B.A.G.) Program*

In recognition of the holiday season, we encourage all attendees to sponsor B.A.G. orders or contribute to our Silver Collection (cash donations) in support of this program. These initiatives play a vital role in promoting food security and ensuring low cost produce is available for everyone in our community.

**We sincerely appreciate your generous donations. As an expression of our gratitude, Garden City Community Centre will provide a complimentary hot chocolate voucher to everyone who contributes to this year's cause. Donations of \$5.00 or more will also be eligible to WIN their own free bag of produce!**

September, rain or shine MYAC and KYAC staff took part in offering its pedal car program at four Community BBQ's . Youth from grades 3 to 8 took part in three sizes of pedal car races. **Top left Victory School, and Ecole Seven Oaks Middle School. Not shown Edmund Partridge.**

## Feature Program

Former MYAC participant and Winnipegger Shauna Jurcazk is excited to give back to her community by working directly with the KYAC early years programs.” It is my goal to create a lifelong love of dance in all dancers I work with - fueled by a connection to the art, passion for performing, and joy of movement. I believe in a holistic approach to

education, helping dancers thrive physically, mentally, socially, and emotionally through their training and performance. I specialize in jazz, lyrical and acro, with proficiency in ballet, musical theatre and hip hop.”

KYAC is excited to have Shauna break down some of her skills into workshops for Seven Oak School division students.

Shauna will be offering programming during

October and November at three afterschool programs.
