

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Day 6

TRC week - Written by Payson in Grade 9/10 Indigenous Studies Class:

Did you know that the Canadian government forcibly separated more than 150,000 Indigenous children from their families to assimilate them into Euro-Canadian society? This matters because the residential school system is not ancient history, its impacts continue to shape Canadian society today. This history directly led to the creation of the Truth and Reconciliation Commission. To take action - students can learn more about the history of residential school, reflect on the history and learn more about the TRC's Calls to Action.

Today is picture day! Even if you don't plan to buy a package or you're a grade 12 student who will be getting grad photos, we still need everyone to have their picture taken for ID cards. We will be calling classes in groups to the east gym, so please wait until you are called to go for your picture.

There is still space to sign up for Driver Z through Manitoba Public Insurance (MPI) for the next class starting on October 1st.

Do you like helping the community? Giving out money that isn't yours? Come join Youth in Philanthropy! We are having our first meeting this Thursday in Room E104 (textiles room). There will be snacks. We hope to see you there.

There will be a Cross Country practice at lunchtime and at 4:00 pm today!

Do you like helping the community? Youth in Philanthropy will be having their first meeting tomorrow at lunch in Room E104, the textiles room.

The Terry Fox Foundation has been doing amazing work for over 40 years to raise money for important cancer research. Their work has meant better treatment options and lifesaving care for those who are diagnosed with cancer. This year, we are hoping to raise \$3000 and we are adding a Try-Like-Terry Challenge this year. If we raise \$1000 by Wednesday, October – which is the day of our event - we will be able to pie 5 GC teachers during our BBQ lunch. We will be selling raffle tickets for Pie the Teacher and selling Terry Fox t-shirts this Friday. Come and see us in the Commons at lunch.

Stitch Club has two exciting things happening today in Room E104A! You can join the Knit Circle for its first meeting with Ms. Jones and Ms. Sauler and try a beginner knitting activity, or come work on your own project and use our shared tools and resources. Come down and create with us!

Read by Desire and Bella: Hi everyone! this is Desire Tegegn and Bella Eshete, the new co-presidents of the Black Student Union!!!
