

We acknowledge that our water is sourced from Shoal Lake 40 First Nation. We are gathered on Treaty one land, les terres sur lesquelles nous sommes rassemblés aujourd'hui font partie du territoire traditionnel des personnes Anishinaabeg, Ininiwak, Anishininiwak, Dakota, et Déné, et de la patrie de la nation métisse de la Rivière Rouge.

We stand with the Indigenous community and commit to building an ongoing process of reconciliation, collaboration, and resurgence. Nous restons déterminés à travailler en partenariat avec les Premières Nations, Inuit et Métisses dans un esprit de vérité, réconciliation et collaboration.

Day 2

TRC Week – Written by Asher, Xavier and Yola from Indigenous Studies class - Did you know that residential schools were often underfunded and overcrowded? Because of this diseases spread in the schools quickly, children went hungry often, and there was not proper health care for kids. All of this resulted in many deaths in the schools. Next week is the National Day for Truth and Reconciliation, and we encourage all of you to learn more about the truths of residential schools. You can learn more through websites such as National Geographic, Canadian Encyclopedia, or on the National Centre for Truth and Reconciliation's website.

Do you like helping the community? Giving out money that isn't yours? Come join Youth in Philanthropy! We are having our first meeting this Thursday in Room E104B. We hope to see you there.

There will be a Cross Country practice at lunch time today!
