

Seven Oaks Divisional Anti-Racism  
presents

# Kinship in Action: Wâhkôhtowin Imagination

*This divisional professional development day is dedicated to deepening our understanding of antiracism through the lens of kinship, inspired by the work of Dr. Dwayne Donald.*

*Rooted in Indigenous perspectives, this day will challenge us to move beyond simply being “against” racism and hate and instead ask: What are we for?*

14th May, 2025

Start at 9:00am

Div. Maintenance Building
