55+ Men's Doubles	6 intermediate teams	6 advanced teams	Sunday, Nov 23

Cost per Participant \$50 per event (\$100 per team)

All Men's Doubles and Women's Doubles teams will play on Saturday November 22nd. The Mixed and 55+ teams will play on Sunday November 23rd.

Players can register for both Saturday and Sunday play. Please do not register for more than one event on each day. If you do register for 2 events, the cost is \$100 per person.

Please register as a team.

Assuming full registration, each team will be guaranteed 5 round robin games and 1 elimination game. Round robin games will be played in the morning with elimination games in the afternoon.

We encourage teams to register in the proper level (intermediate or advanced) to ensure teams are competitive and everyone has fun. Intermediate is defined as 3.0 - 3.50. Advanced is defined as above 3.5. This is a non-sanctioned event.

The Seven Oaks Education Foundation Inc. is a registered charity that provides scholarships to graduating students in the Seven Oaks School Division. We thank you for supporting our organization. Upon registration each participant in the tournament upon paying their \$50 registration fee will receive a charitable donation tax receipt for \$36. If registering in two events, a charitable donation tax receipt for \$72 will be issued for your \$100 registration fee. Registration fees are non-refundable.

Registration details will follow, but feel free to email the tournament convenors Cheryl and Avrum Senensky at [avrumsenensky@gmail.com](mailto:avrumsenensky@gmail.com) to express your interest in playing and which category or categories your team(s) will be playing in. You will be given advance notice of registration to make sure you don't miss out on the fun! The structure may change slightly from what is presented above but will be finalized by the time we are ready to begin registration.
