Indigenous Ways of Learning and Growing*

Seven Oaks School Division's Indigenous Cultural Education Course

Beyond

Student goes beyond and strives to give back to others.

- I can identify my gifts.
- I feel confident sharing my gifts with others.
- I am motivated to stay connected and help other learners along their journeys.

Become

Student is finding success in their learning journey and becoming who they want to be as a learner.

- I see myself growing as a learner.
- I am gaining new skills that I know are valuable.
- I set goals and am working towards them everyday.

Belong

Student feels a sense of belonging to a class, a school, and a community of learners.

- I understand why I am here.
- I feel seen and heard.
- I feel understood as a learner.

Believe

Student believes in themself as a learner and is developing positive self-identity.

- I understand my role as a student and I am learning my responsibilities.
- I know of adults in the school who believe I will be successful.
- I know what I am learning and why it is important.
