

**SEVEN OAKS SCHOOL DIVISION  
TAB COLLECTION COMMITTEE NEWSLETTER #9  
JUNE 2025 **Final Newsletter****

We will no longer be collecting TABS as of June 27, 2025. Due to changes in the collection process our initiative is no longer sustainable. **Thank you** to everyone who collected tabs for us over the years. Together we have made a difference for **20 students**. In the last two years, since our last newsletter, we have bought a specialty trike, a walker and we will contribute to the cost of a specialty trike for three students in the division.

**You can continue to drop off tabs at your local Seven Oaks School Division school until June 27<sup>th</sup>. After that, if you still have tabs, or want to continue collecting, you can drop off your tabs at Trailblazers for Life Choices Inc. at 1069 Autumnwood Drive in Windsor Park between 8:30 am and 3:00 pm. Or you can drop off tabs at Petals Flowers and Gifts, 640 Leila Ave. during their business hours- for the next year.**

Since the inception of this committee in 2003, and through partnerships with schools in the Seven Oaks School Division, the Children's Rehabilitation Foundation, Children's Disability Services, the West St. Paul Lions Club, local legions, churches, businesses and individual donors, we have raised money to purchase 20 different mobility items. For students in our division. These include 16 specialty trikes, a walker and wheelchair parts. **This has helped these students to participate more fully in activities in their schools and communities.**
