Winter Wrap Up 23

KYAC concluded its early years programming this month at five schools. From 3:30-5:30pm grade 4 & 5 students were offered the following activities; Arts and Crafts, First Aid, Circus, Basketball, Lego, Dodgeball, and Creative Dominoes. KYAC would like to thank our facilitators, staff and youth who participated.

KYAC and MYAC would like to acknowledge Claire Charleton, one of the many fantastic Youth Activity Workers facilitating programming. Since Fall 2022, Claire has been engaging with youth in the Old Kildonan communities. Claire's calm demeanor, warm smile and love for children have made her an excellent choice for the KYAC after-hours early years programs.

Employee Spotlight

Claire's eagerness to work with elementary students on a consistent basis has earned her an excellent rapport within our KYAC schools. "Working with students who spend all day together in an after school setting is not always smooth. I have learned many behavior management techniques in my time at KYAC and MYAC. This will serve me well in future roles."

Claire has been a key contributor to the success of improving our snack offering which serves toasted bread products and fresh sliced fruit at Victory School.

Claire Charleton pictured with KYAC Guitar program at ESOMS.

KYAC is also extremely fortunate to have Claire act as our current Guitar instructor. "Being able to share one of my passions of guitar has been a lot of fun".

The Guitar program at both Arthur E. Wright and Ecole Seven Oaks Middle School offers middle year students the opportunity to pick up a school-owned guitar and practice the basics. "Its been really rewarding for me to see students learn a song that they have selected themselves. There's a saying that when one teaches, two learn. This is what I continue to value in my time at KYAC."

Claire is a graduate of class 2022/2023 at Garden City Collegiate. She is currently working as much she can while saving for post-secondary education.

Thank you Claire for all that you do for our Maples and Kildonan communities.

Feature Program

KYAC and MYAC are happy to continue a long standing tradition of Guitar programs within two of our schools. Guitar lessons with Claire Charleton are offered at Arthur E. Wright and Ecole Seven Oaks Middle School on Tuesdays and Thursdays respectively. The classes are completely free and equipment is provided by the school. Students will learn the basics of acoustic guitar. We hope to see you out soon to practice your chords and riffs. More information can be found at 7Oaks.org/programs
