Parent/Guardian Questionnaire: Active Transportation at West St. Paul School

Participation in this survey is entirely voluntary and anonymous. This survey is a part of Mr. Smithson's final project for his Masters' of Education in Sustainability, Creativity and Innovation from Cape Breton University. Further information on active transportation at West St. Paul School or to view further information regarding this project (Ethics, Permissions, Purpose...etc.) click on the 'Active Transportation' link under 'Programs' on the school home page. Please return completed survey to your students' homeroom teacher by Thursday, May 16th.

In the coming weeks, our school will be expanding on our safe/active transportation practices. We encourage families to engage in conversations around active transportation and safety. Following our learning, a second questionnaire will be sent home with your child to re-assess feelings and perceptions. I look forward to your continued participation and support with this project. Thank you.

On a scale of 1-5 (1-very uncomfortable, 5 -very comfortable) how do you feel sending your child to school using active transportation? (Biking, walking, or using other active means)

___ 1 ___ 2 ___ 3 ___ 4 ___ 5

What are your main concerns regarding your child using active transportation? Rank the list below in order. '1' being the most important, '5' the least.

- ___ having a safe place to store their bike ___ Better bike education from the school
- ___ safer trails to bike/walk to school ___ living closer to school
- ___ Less/slower traffic on the streets near school

Are you aware of a safe biking route/path that your child could use to get to school?

___ yes ___ no

Please feel free to use the space below and/or on the reverse side to address and expand on any concerns or thoughts you may have regarding your child's use of active transportation at West St. Paul school and in the greater community.
