WEATHER

Dear parents, I'm going to tell you what your kids should wear in different types of weather. When it rains your child should bring an umbrella, a rain jacket and rain boots. When it is hot outside summer shorts, a shirt and a hat are a good idea.

When it is winter, you should wear gloves, a hat, a winter jacket, winter boots and ski pants. In spring weather pants or shorts depending on the temperature. In the Fall pants and a sweater.

FUNDRAISER

Last year, rooms 7 and 8 eliminated paper towels from their classrooms. We would like to eliminate paper towels from our whole school, but we have to purchase a washing machine to help the custodian wash the reusable towels. We would like to have a fundraiser to raise money to purchase a washing machine. We have an idea of having a bake sale. Things we were thinking of selling are gluten-free cookies, peanut-free cupcakes, and brownies. Stay tuned for more information.
