## HANDBALL

Handball is a sport where you have to throw the ball to the net on the other side. You will have 3 steps to pass the ball and shoot. Our grades 4 and 5's went to a Handball tournament on Thursday, November 7 at Winnipeg Soccer Federation North. We played in many games versing different schools and had a positive attitude. People who went needed to wear shorts and a T-shirt and bring a water bottle. Students also brought lunch.

## RECESS

Recess is an outdoor activity that kids may like. Recess is fun. You get to play games like tag, soccer, or whatever, but it's mostly about fun. If the weather is nice, you can have a picnic. Because you don't want to have a picnic in bad weather. If you did, the food would be frozen solid, and you don't want that! We have a play structure in the front of the school, you can also play there too. Collicutt school has two recesses, one is at 10:30 and the second one is at 1:25. That's all for now.

## HALLOWEEN SPOOKTACULAR

On halloween grades 4-5 went to SOPAC to watch a spooky performance called the **halloween spooktacular** by the Royal Canadian Air Force. It featured composers and songwriters who wrote Halloween themed songs such as John Williams, Stevie Wonder, J.S. Bach, and Michael Jackson. I thought it was awesome!! I would definitely want to see it again!!!

## Preschool

Every Wednesday is preschool. If you're wondering what that is, that is when little kids go to the family center to play and learn. They get to do crafts, colouring, play with toys, and sometimes they get a little snack. On Halloween they got to dress up, they also got to do Halloween crafts. But there is an age limit which you have to be the age 5 and under, but parents or any guardians could come. Fun fact: I used to go there, and the teacher, Mrs Sonia, is amazing. She is really nice and sweet, and she's really good with kids.

## COMPOSTING

Composting is when food scraps turn into soil instead of wasting it. When we compost bugs eat it first, and then it will turn into soil. We can compost many things such as pumpkins, apples, oranges, sticks, wood and many more. Room 8 is in charge of composting at Collicutt school, and they love to do it for the environment. Composting started because last years grade 4 and 5's wanted to compost so that the plants will grow faster.

## REMEMBRANCE DAY

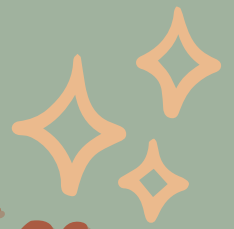

Remembrance Day first started in 1918 on the 11th month, 11 day and at the 11th hour. Every year we remember all the soldiers who fought for our Freedom. At Collicutt on November 8th we had our Remembrance Day Assembly. We had a moment of silence and all classes had a part in the assembly, some laid poppies on a wreath and others recited poems.

## LITTLE DIPPER

Little Dipper is a preschool where toddlers come to learn, it's located in Collicutt School. They do activities such as play, learning, reading, and many more! The teachers there are nice and sweet. Their names are Mrs Joana, Mrs Sanela and Mrs Joyce. Here are some fun facts they named it Little Dipper because of the real constellation and they started the preschool in the 2000s. The teachers have been working with the kids for 18 years. I got the chance to interview a student, his name is Aaron. He tells me he loves school so much, his favourite activities are outside time, playing with play dough, and driving around the trucks. His favourite book to read is *The Hungry Caterpillar*

## WEATHER

Here in Winnipeg, the weather has been a little bit weird. But here are some tips for what your children should wear.

1. if it gets cold, you should wear a snowsuit/winter jacket and ski pants and boots.
2. if it rains, wear a rain jacket, and rain boots and bring an umbrella.
3. if it is windy, wear a jacket and a hat with gloves
