I love to celebrate New Year's and love to hang out with my family. My favourite thing to eat is turkey and bread. I like to dress up for New Year's and wear black and gold because those are the colours of the holiday. Thank You for reading!

Pizza Hot Lunch

We had a pizza hot lunch on Thursday, December, 5th, 2024. We ate our pizza at lunch. The pizza was delivered from the Pizza Hotline. Kids could pick pepperoni or cheese. The pizza is free because of the universal nutrition program from the Manitoba Government, all schools got money to make food more available to students. We're going to have hot lunches once a month, so we're probably going to have another pizza hot lunch.

Here are some rules about the elf: first, you can't touch the elf because it has magic and if you touch it, it could lose its magic. NED EXPERIENCE

We had an entertaining experience called Ned's Resiliency Ride on December 3, 2024. At the assembly, a professional comes to talk about Resiliency. The professional's name was Jennifer. She does very cool yo-yo tricks, like making an Eiffel Tower out of yo-yo. Then she talked about Ned, N stands for Never give up, E stands for Encourage Others and D stands for Do your best. Jennifer also went over some very important safety rules when using a yo-yo, some examples are staying outside when playing with a yo-yo and don't play too close to someone else. A student named Nahir from Room 9 got a yo-yo as a prize because he answered a question, and he also got a firework crown made of balloons.
