Grade 5 Basketball

Grade 5 basketball is a sport in which all the grade 5's in the 7 Oaks division play against each other in a game of basketball. The game will be on February 6, and it will take place at Sport Manitoba, 184 Alexander Avenue. It's a game of 3 versus 3 half-court. You will need to dribble the ball to the net and shoot. If you are in grade 5 and join basketball, you will need to bring the following a lunch, a water bottle and in-door shoes.

mega train convention

Winnipeg Mega Train Convention is a place me and my family go to every year. I don't think we have ever missed it. There are a bunch of Lego models and train models and some war ones too. There's a train that you can ride, it's at Assiniboine Downs. Outside there are wood sculptures and a little farmers market. This year it is on Sept 27 and 28, 2025 and it only happens for one weekend!

my hockey team

I play hockey during the winter, and sometimes I do spring hockey as well. My team name is the Raiders and I practice at Maples Arena. I am on the U11 team. The last game I played was against the Winter Hawks. They are the best team in my league, my team is sixth in the league, but my team almost beat them.

Coming to Canada

My experience of coming to Canada

In the Philippines my mom, my sister and I were packing our bags to come to Canada to visit my grandmother. We left the Philippines on November 27, 2024 from Iligan City. We flew from Iligan City to Manila and then Vancouver and finally Winnipeg. When we got to Winnipeg my grandmother was waiting for me to arrive. It was my first time seeing snow and I was so surprised because in the Philippines there is no snow. I came to Canada because I missed my grandmother. My dad is not here because he still has work in the Philippines and he said that he will come here on February 2, 2025. I sometimes have some fun times with my family in Canada. I am excited to experience spring and summer in Canada. I experienced sledding, walking in the snow, ice skating and more

Taekwondo

I started to take Taekwondo classes last year at Spirit One Taekwondo Academy. I go to Taekwondo on Tuesday and Thursday from 5:30-6:30. When it's time for Taekwondo, I start by getting dressed. I put on my uniform and my belt, I'm a Green Stripe. After I'm dressed I grab my water and go to Maples Community Centre Gym. When I get there, I grab a chair and take my socks off. Then I start to run to warm up. After I'm done I start stretching and then train. We have 2 water breaks, 1 after stretching and 1 close to the end. When class ends, I grab my stuff and go home.

Mr. Mark Interview

Mr. Mark is our school's educational assistant. He is very friendly and happy. His hobby is playing guitar, and he is building a model pickup truck, and when he is done building he will paint it black. He can play the guitar because his guitar teacher teaches him, Mr. Mark doesn't usually watch movies because he doesn't like spending time watching movies. Mr. Mark's favourite food and drink is steak and milk. His job at this school is to help kids with work. Mr. Mark was born in Winnipeg "25" years ago. He likes to work at Collicutt and that is why he has stayed at this school for a long time. He likes this school because it is not too big and makes it personable. Mr. Mark is married and he has two kids.

Pillar Chase 2 Update

Sonic Exe was added to Pillar Chase 2 in Roblox, he has 3 abilities! The first ability is jump and when he jumps he does 35 damage. He also does 17 damage for a normal hit. Sonic Exe has the ability to go invisible and if he goes uninvisible he attacks, and it does 27 damage. His last ability is the final fight! He flies and points and if he touches anyone they get sent to the final fight. A person who gets sent to the final fight gets more time and damage while they are sent there. Every 30 seconds they are in there, they will take about 10 damage. They have to get to a big red wing to escape. Also, Sonic Exe can choose if he wants to go to the final fight or not.

Taco Recipe

Hi guys so today we are going to make a taco recipe let's start with gathering the ingredients, you will need

- Ground beef
- Cheese
- Taco shells
- Lettuce
- Taco seasoning

Step 1 First, you need any taco shell like hard taco shells. Bake the taco shells at 325 F in the oven.

Step 2 After that, turn the stove on medium heat, grab a pan and put the ground beef in the pan.

Step 3 After the ground beef turns brown, add taco seasoning and a little bit more seasoning.

Step 4 Add cheese lettuce and ground beef and there you go, a taco!

Ms. Rarog

Ms. Rarog's favourite colours are yellow, pink and purple. Her favourite food is a Caramel sundae with whipping cream and a cherry on top. Ms. Rarog is a Swifty and her favourite book is the Taylor Swift biography. On the winter break, Ms. Rarog and her family went to a beautiful beach with her family and took her daughter to France to go to university. Ms. Rarog started working at Collicutt in 2013. She chose to work at this school because the staff here really really cares about the students in the school. Ms. Rarog worked at three other schools before the names are Lavalley, General Vanier, and her very first school was Frontenac school. In her spare time, Ms. Rarog helps her daughters, dogs and her cat. She spends most of her time at home, and she likes doing puzzles.

Lohri

Lohri

Lohri is a festival of the Indians and Hindus. Lohri is celebrated on January 13. We play, sing, dance and play games. We also gather to offer prayers. We sing traditional folk songs. We do dance, bhangra, giddha as they throw sesame seeds, popcorn, peanuts and rice into the bonfire. Fun fact! It was my little nephew's first Lohri!

New Years Day

New Year's Day is a day that people celebrate on December 31 and January 1. Most people set off fireworks and play games with friends and family until midnight. In different countries people celebrate, some people honk their horns for everyone to wake up to say is it New Year's. In my family, we make turkey, and we play a game called overcooked. Me and my mom, aunt, uncle and my brother played all together. My grandma and I counted down until the New Year

Montreal

When I went to Montreal with my dad, we went for 6 days! On the first day, we were pretty tired from being on the plane and the airport, so when we got to the hotel we set up our Nintendo Switch, and played some games on it. Then we ordered some food because we were too tired. When we woke up the next day, I'm pretty sure we went to the Biodome. The biodome is a very big white sphere it has TONS AND TONS of animals, it has birds, fish, monkeys and lots more! We were there for around 2-4 hours. After that, we went home and went to a food place, I'm pretty sure it was a sandwich place. 4 days later we went to a meat place, I forgot what it's called, but it was very good, and we went home and played on the Nintendo Switch.

Sustainability

Collicutt had a Sustainability Assembly on Monday, January 27, 2025. 8 kids planned and were in charge of the assembly. The kids who joined are Raven, Maxwell B., Kyros, Maxwell A, Saira, Max, Luca and Liam. The message of the assembly was Paper Towel Waste is not OKAY! They told the school that there would not be any more paper towels in the washroom. Every student received 2 reusable towels and every classroom received 2 baskets, one for clean towels and one for dirty towels. The towels are colour-coded so they don't get mixed up. Room 9's colour is white. Room 7's colour is purple. Room 8's colour is green. Room 6 is pink. Room 5's colour is grey. The Kindergarten's colour is blue and the teacher's towels are dark blue. The towels will be collected each Friday and washed with our brand-new washing machine and dryer we purchased with our Bake, Share and Care money. **The Assembly WAS SUPER FUN! We are excited that Collicutt School is going to be more sustainable to help protect Mother Earth.**

Room 5 News

Grade 2-3 students are having fun while giving their brains a fantastic boost on solving puzzles. As they figure out where each piece fits and finds the right spot for it, they celebrate together their 'victory.' Students learn patience, perseverance, problem-solving, critical thinking, and communication skills in an engaging way.

If you wish to donate 150-200 pcs. puzzles to us, please do not hesitate. We will appreciate it so much.
