FC Northwest

FC Northwest is a soccer club that Maxwell and Luca tried out for. The tryouts happened on January 8 and 25. AND WE MADE THE TEAM!!!!!! The tryout was at the Garden City Soccer Plex and Leila North, it was at 5 pm. Austin is the club coordinator and Surhay is the main coach. Maxwell and Luca tried out for FC Northwest because one day Luca said there was a soccer club, and he asked Maxwell if he wanted to play with him, so we decided to tryout together. We had our first practice on February 5 and our first game will be on March 22.

Tambo Central

Tambo Central School is my old school in the Philippines, Iligan City, Hinaplanon. In Tambo I was in grade 3 and my classroom was in the middle of the school. This school has an outdoor garden for planting, a basketball court, and three gates. At snack time, we have a basket full of snacks from the canteen, which we can buy with pesos, our currency in the Philippines. First thing in the morning we stand for the national anthem which is called Lupang Hinirang. The colours of the school are Yellow and Green. Tambo was far away from my house so we used a vehicle to get to the school. The school also has a bus terminal which is at the back of the school. The school opened on September 13, 1913, and has a hymn too. P.E. in Tambo is only on Wednesday at 3:00 p.m. My old classmates were loud and noisy.

Ramadan

Ramadan is a Muslim holiday. During Ramadan, Muslim people fast from sunrise to sunset (no food and no drink), they do this because they believe that this is when the Holy Quran was sent down from heaven as a guide for men and women and all Muslim people. Ramadan changes every year, this is because Islam uses a calendar based on the cycle of the moon. Ramadan will begin in the evening of Friday, February 29 and will end on Saturday, November 29.

Pillar Chase 2

In Pillar Chase 2 Jeff Woods was added. He has two abilities, his first ability is a silent hit, it's when he crouches and goes slow and quiet, and he does a lot of damage with that. His second ability is rage, he starts to run fast, but he starts laughing, but he knows where you are and everyone else knows where you are.

Pink Shirt Day

Pink Shirt Day began in 2007 in Nova Scotia. A new student wore a pink shirt and got teased and laughed at. Two students stood up and confronted the bullies. The families bought tons and tons of pink shirts for their kids to wear. Pink Shirt Day is on the last Wednesday of February, we celebrate it once every year! The story's moral is that the two students who stood up for the bullied kid did not walk away.

Mac and Cheese

First, to make mac n cheese you need to get Kraft Dinner and boil some water. When it's bubbling pour the kraft dinner in the water and wait till it is soft to your liking. Strain out all the water when there's no water left pour the Kraft cheese pack and put butter instead of milk that's our recipe
