Seven Oaks High School Students — We Want to Hear from You!

Trustee-Student Collaboration Event

Monday, June 2, 2025

West Kildonan Collegiate Commons

Supper at 5:30 PM | Event 6:00–7:30 PM

Hi there,

The Seven Oaks School Division Trustees are inviting you to join a special event where **your voice** will help shape the future of our schools!

What's happening:

We'll be sitting down with students like you for **roundtable discussions** to talk about your school experience — what's working, what could be better, and your ideas for the future. This is your chance to speak up and make an impact!

What is a school trustee?

Trustees are elected officials responsible for setting policies, managing budgets, and ensuring that schools operate effectively to meet the needs of all students. They act as a bridge between the school system and the community, gathering input and communicating decisions.

When and where:

Date: Monday, June 2, 2025

Place: West Kildonan Collegiate Commons

Light supper served at 5:30 PM

Discussion runs from 6:00–7:30 PM

What we'll be talking about:

- What do you appreciate most about your school experience?
- What challenges do you face at school?
- How does your school make you feel like you belong and are safe?
- What programs, classes, or activities would you like to see more of?
- Are facilities (libraries, gyms, technology, washrooms) meeting your needs?
What could be better?
- Respond to the following: "I am learning the skills I need for success later in life."
- How can we make sure student leadership and student voice are stronger across Seven Oaks?
- If you could give trustees one piece of advice, what would it be?

Ready to join us?

 **Please see your school principal by May 23 to register.**

We hope to see you there — your voice matters!
