SCHOOL PLAN for 2024.2025

Planning Process

List or describe factors that influenced your priorities.

Our divisional philosophy and goals, student and parent conversations, our mission statement, staff meetings, professional learning communities, and staff professional development throughout the year. Finally, a staff professional development morning in June 2024 dedicated to assessing and addressing our 2024/2025 priorities.

Describe the planning process and the involvement of students, staff, families and the community. Who was involved?

Staff was involved in the planning process for this school plan through ongoing staff meetings and a PD devoted to reflecting on last year's goals and continuing to move those goals forward

- Students: conversations, previous *OurSCHOOL surveys*, evidence of learning and student involvement and engagement
- Parents: conversations, student led conferences, connecting with parents through online platforms and phone calls and in-person conversation
- Staff: meetings, professional development, professional dialogue, educational leave opportunities, conversation

How often did you meet?

- Staff meetings are held monthly
- Student-Led conferences/celebrations of learning were held in November and March
- Support team meetings held on an on-going basis
- Professional learning communities met regularly throughout the year

What data was used?

- Anecdotal feedback from students, parents, community, and staff was used in the formation of the plan

- Ongoing development was communicated at staff meetings
- *OurSCHOOL* student survey responses
- Data collected at staff professional development morning dedicated to the school plan
