A request to parents/guardians:

To help us accurately identify students, please include the student's 7-digit student number when calling the Maples office to report an absence or share information. Providing the student number along with their name helps avoid confusion when students have similar names. You can find the student number in Student/Parent Connect or at the top of the student's course schedule.

Thank you,
Maples Admin

Dear Parents and Guardians,

Please be advised that peer tutoring and academic support are available to all students in Room M133 during lunch, Monday through Wednesday.

Student tutors are available to assist with classwork, daily assignments, and test preparation. Additionally, Room M133 provides a quiet, structured space for students who wish to complete independent work during the lunch hour.

If you feel your child could benefit from extra academic support or a quiet study environment, please encourage them to drop in.

Sincerely,

Aaron Millar Usiskin & Nicole Russell
Teachers @ Maples Collegiate
