# WEST ST. PAUL SCHOOL COMMUNITY NEWSLETTER

## APRIL, 2015

Our Beliefs: Take care of yourself. Take care of each other. Take care of this place.

### ADMINISTRATORS' MESSAGE

## Standing Up for Diversity

Celebrating diversity by recognizing and acknowledging the unique qualities and talents of people is at the heart of a strong community. Members of the West St. Paul school community are looking forward to the first week of April with anticipation. The prospect of spring, the advent of the new month and the promise of renewal and rebirth, makes it only fitting that we begin our new term in a celebratory fashion learning about and appreciating one another for the diverse group of individuals we are. Integral to this understanding is the recognition that each and every person is, and can be, a capable contributing member.

Plans are underway for a week of school-wide activities with the theme, **Stand Up for Diversity**. Monday, April 6 begins with students examining diversity through a series of themes: **All Kinds of Interests, All Kinds of Friendships** (with a focus on positive friends), **All Kinds of Families** and the week culminating in celebrating **All Kinds of Us**. Wednesday, April 8, 2015 is official **Red Cross Day of Pink**. Students will learn about the significance of wearing pink and are invited to wear their own pink tshirt. In 2007, a boy in Nova Scotia was made fun of for wearing pink. The next day his friends came dressed in pink too to show their support for him. We highlight this event as a reminder of the importance of having a caring, safe and respectful school environment. A distinction will be made between some one being mean, people being in disagreement and some one being a bully. Each class will choose their own colour to wear to school on Friday. Thursday, April 9, Cst. Human will be the featured guest speaker for grades K, 1, 2, 4, and 5. He will focus on the topic of bullying. March 26, Cst. Cain spoke to grades 3s and 6 to 8 students with the same focus.

We encourage you to support your youngsters by helping them find the coloured tshirt, retell the story of the day or explain the corresponding class activity. What a great kick off to another busy month!

# WSP SCHOOL PARTNERSHIP WITH MIDDLECHURCH HOME

March 6, 2015 — National Oreo Day!!  
Students enjoyed their time playing BINGO  
with our friends at Middlechurch.

# FROM THE LIBRARY...

Another successful book fair was held March 10 to 14! The winner of the door prize was Conor in Mrs. Rempel's grade 1 class! There were 10 winners in the drawing contest although ALL the drawings were prize worthy! Congratulations to everyone who participated! Proceeds from the fair went to books for the library and books for the classroom libraries as well! Thank you to everyone who came by and to Mrs. Larocque for volunteering!

Spring photos will take place on Thursday, May 7 in the morning.

# FROM THE OFFICE...

Helmets purchased through the Low Cost Bicycle Helmet Initiative will be delivered to schools during the week of May 12–20, 2015, instead of March as previously communicated. This is due to a delay in the helmets being shipped from overseas and unfortunately, this has caused a delay in shipping them out to schools across Manitoba.

## CANTEEN UPDATE

- Use of the microwaves and the purchase of canteen items are limited to those students in Grades 5 to 8 only.
- Heating of food should be items requiring 30 sec. to 2 mins. Due to the numbers of students using microwaves it is not possible to have students cook frozen meals needing over 2 mins. of heating.

# WEST ST PAUL SCHOOL SPIRIT WEEK MARCH 23-MARCH 27

# From Music...

On March 10th, students from Mr. Mackay, Mrs. Arjoon and Mrs. Sharpe's classrooms boarded the bus to the Winnipeg Centennial Concert Hall for a concert titled "One Voice". The Winnipeg Symphony Orchestra, under the direction of Julian Pellicano, played 11 different song selections for us including the William Tell Overture, the Superman theme song and Wavin' Flag. The orchestra also brought a choir, some student instrumentalists and a fabulous soloist to sing and play for us. Our students

had been listening to the music performed in this concert in class for the last few months and have developed an appreciation for music created in various time periods and areas of the world.

## **CALLING ALL BABIES (birth to a year)**

**The Seven Oaks School Division's Parent, Child preschool program is offering families an opportunity to learn massage techniques with their baby.**

Infant massage is a daily practice shared by parents and caregivers all over the world looking to bond, communicate and care for their babies in a healthy, natural way. Babies who receive regular massage have been shown to have better quality of sleep, have an improved rate of healthy weight gain, and relief from the pain associated with colic, gas and teething. Aside from these physical benefits, infant massage has been shown to improve the ability of parents and babies, to bond more closely and communicate with one another. Touch is one of the ways an infant communicates with the world around them. It is the first sense to develop in utero, and the only sense we cannot live without. In essence, learning to share touch with your infant is a powerful, natural way to care for your baby's physical and emotional health.

Massage is a practice that can benefit children and babies regardless of physical or mental ability. It is a practice that can be shared by all families, regardless of religious, cultural, or socio-economic background. Essentially, infant massage is a universal practice that can be enjoyed by everyone!

Amber Maric is a Registered Massage Therapist with over 10 years of experience. She is a Certified Infant Massage Instructor with the International Association of Infant Massage (IAIM) and the owner of "Yay for Babies" specialized infant massage.

Please join us for this FREE 4 week program that promotes health and happiness through the ancient art of infant massage.

## Housework Can Wait

Today I left some dishes dirty.  
The bed got made around 3:30.  
The diapers soaked a little longer,  
The odor grew a little stronger.  
The crumbs I spilled the day before  
Are staring at me from the floor.  
The fingerprints on the wall  
Will likely still be there next fall.  
The dirty streaks on those windowpanes  
Will still be there next time it rains.  
"Shame on you" you sit and say,  
"And just what have you done today?"  
I held a baby 'til he slept.  
I held a toddler while she wept.  
I played a game of hide and seek.  
I squeezed a toy so it would squeak.  
I pulled a wagon, sang a song,  
Taught a child right from wrong.  
What did I do this whole day through?  
Not much that shows, I guess it's true.  
Unless you think that what I've done  
Might be important to someone  
With bright shining eyes and soft, sweet hair.  
If that is true, I've done my share.

# EMPLOYMENT ASSISTANCE

• Need Employment help? Every Wednesday afternoon @ 660 Sheppard –Please contact Shane if you need assistance with practicing for an interview or need help with finding a career path. He can help you make a plan.

- According to a 2012 survey conducted by the Society of Human Resources Managers, 53 percent of résumés and job applications contained things that weren't true. The most common lies are about education, job titles, accomplishments, compensation (salary), and reasons for leaving.
- While it is important for you to to highlight good things you've done for employers when you're job-hunting, you must know the difference between making things sound a little better) and fabrication (telling lies).

If you need help with your resume Please contact José. Call 204-632-1716 to set up an appointment .
